Lions Receive Attendance Pins At Charter Night

At the Vulcan Lions Club 18th annual charter night, held Friday, Nov. 16, in the Lodge Hall, perfect attendance pins for five, 10 and 15 years were presented by District Governor Karl Nutter of Sweetgrass, Mont.

Vulcan Lions receiving pins were:

Five years— Ben Dann Jr., Ivan Haga, Omar Haga, Howie Klippert, Reinhold Lundgren, Les O'Brien, George Richardson, Ray Wellman, Montie Findlay and John Mitchell.

Ten years— Evan Munro, John Andrews, Arthur Jones, Howard Spaeth and Bill Richardson.

Fifteen years— Budd Andrews, Charles Andrews, Fred Anderson, Ron Buehler, Charles Fulton, Martin Gottenberg and Phil Lucas.

At the delicious turkey banquet, Bill Richardson acted as M.C. and Fred Anderson gave the invocation. Guests were welcomed by President George Richardson and a welcome from the Town of Vulcan was extended by Deputy Mayor Douglas Smith. A toast to the ladies, given by John Andrews, was replied to by Gerry Snow.

District Governor Karl Nutter, who was introduced by Zone Chairman Bob Monner of Milo, spoke briefly on several phases of Lionsism.

Following the supper, a dance was held in the main hall, with music supplied by David Shearer's orchestra.

Early Resident, Bert Innes Dies

A pioneer resident of Vulcan for 24 years before moving to Vancouver, B.C., Bert Innes of 3579 Dunbar Street, Vancouver, died on Nov. 4, 1962, at the age of 88.

Born in Dunham, Ont., in 1874, he came to Southern Alberta in 1897 and resided here briefly before going to Skagway, Alaska, at the time of the gold rush. In 1913 he returned to Vulcan, where he was in the painting and decorating business. In 1937 he moved to Vancouver where he continued as an interior decorator until he retired in 1955 at the age of 81.

Predeceased by his wife, Nellie, he is survived by one son, Harry

Winds gusting up to 80 miles an hour, accompanied by clouds of dust and sand, did considerable damage in the town and district Monday of this week and virtually tied up highway traffic from High River south until late evening.

In scenes reminiscent of the dust storms of the 30's dust and dirt sifted into homes and business places and house-cleaning was the order of the day when the storm had passed through. A few trees, television aerials and fences were casualties of the storm. At the high school, a partially completed garage (a "shop" project) was demolished and about 2,500 square feet of the high school roof was blown off, this latter damage being covered by insurance. Many cars and trucks on the highway ran off the road and were temporarily abandoned.

Reports from other places include the loss of the roof of a grain elevator at Nanton and at an oil-drilling wellsite south of Mossleigh. It is reported that a trailer was blown over, damaging a car parked alongside.

Light rain fell at about 11:00 p.m., followed by light snow at midnight and Wednesday morning the weather was clear and calm.

Church Groups Guests at Nanton

On Nov. 15, a number of ladies from the Keystone and Candlelight groups of the Vulcan Church of Christ were guests of the Nanton ladies where they took part in a missionary study. Each group presented a study and display on a different mission field. The Nanton ladies on Canadian Indian; the Keystone about Brazil, and the Candlelight on the missions in Rhodesia.

A short film of the work with old Christmas cards was shown. This movie was filmed in Kenya.

Tea was served by the Nanton ladies to bring a very interesting and enjoyable afternoon to a close.

Beeching of Vancouver; two daughters, Mrs. Hilda Hunter of Calgary and Mrs. Dorothy Dalsen of Oakville, Ont.; 10 grandchildren and 11 great-grandchildren.

Private funeral services were held on Nov. 6, from the Burnaby Funeral Chapel, with Rev. G. W. McNeil officiating. Cremation followed.

Jaywalking is punishable by injury or death.

Whose Turn For Plane Tonight Could Be Family's Problem

One of the flying-est families in Alberta is the Phil Lucas household of Vulcan of which everyone but Mrs. Lucas holds a private licence or better.

The group are pictured above at the Vulcan flying strip in front of the 4-place Cessna 140, one of the aircraft owned by the Vulcan Flying Club. From left to right they are Phil, Jack, Leslie, Leighton and Lionel, and they represent the only family in the Alberta Flying Farmers with five members holding licences.

Phil Lucas has been flying since the late '20's and until 1945 when he went into farming he had years of experience in the north country along with five years flying with CPA.

Thirty-five year old Jack Lucas now lives in Calgary and, a member of the Calgary Flying Club, has flown occasionally for about 12 years and has 200 hours to his credit.

Leslie Lucas, youngest of the family at 17, is still in Vulcan High School and took her flying

course this summer, as did her 18-year-old brother Leighton. Leighton is now in Calgary and expects to enrol at a United States University in January. Each has logged 35 hours in the air.

One of the voices of the local flying club is Lionel, who has flown for three years and has something like 260 hours in the air.

Seven students graduated from the summer instructional course and received their licences at the Flying Club Dance held recently.

Golfers Full And Festive At Club Stag

There's one golf club function which never suffers in popularity and that's the annual President vs. Vice-president stag which, on Wednesday, Nov. 7, was held with about 70 of Vulcan's better men golfers participating.

As seems to be the usual pattern, the presidents side, this time Ray Wellman and his crew, went down to defeat in the summer tourney and paid the supper bill for vice-president Charles Fulton's golfers.

Following the turkey supper president Wellman gave trophies to the following: Club Champion, Ray Wellman; the McAskle Men's Two-ball Trophy, Howie Klippert and Ray Wellman; the UFA Co-op Handicap Trophy, Ivan Haga.

Harry Watson of Picture Butte was a guest and showed colored slides of Japan, taken during a trip to the Orient. The rebuilt city of Nagasaki was pictured and the slides showed the agriculture and recreational sides of Japanese life.

For the remainder of the evening the golfers turned to the pleasures of cards and round table discussions on all subjects except the fair sex whose presence in the evening lasted only long enough to deposit the turkeys, accept a thank-you and disappear.

The televised National League hockey game and still have time to take in the movie.

Letter From Minister

Highway Entrance On 1963 Agenda

The much sought-after rebuilding of the access road leading into town from Highway 23 is likely to be a project of the Provincial Government Highways Department next spring, according to correspondence recently received by Rev. Peter Dawson, M.L.A., from the Honorable Gordon Taylor, Minister of Highways.

The Vulcan District Board of Trade has been negotiating with government officials for an improvement to this entrance for some time and Mayor M. R. Morrison and Lundy Findlay were able to question the Minister directly on the subject at a meeting at Lethbridge, Nov. 14, at which this proposal was given.

The letter received by Mr. Dawson and which was passed on to the Board of Trade reads in part:

"I wish to advise that we will be unable to deal with this access this season but the improvement of the approach into Vulcan is scheduled to be undertaken when plant mix surfacing of Highway 23 from the Vulcan corner west is being done; we are hopeful that this will be during the coming year. This improvement work will require asphaltic plant mix surfacing materials and this year's work in that area consisted of soil cement base course capped with asphalt bound road mix.

We have reviewed the geometrics of this approach and it appears that it will be essential in order to facilitate any reasonable improvement, to widen the intersection considerably on the south side so that a 90 degree "T" connection can be made to the highway. This will have to be done before channelization is introduced to take care of long semi-trailer units wishing to enter Vulcan from the south.

I might advise that it has been necessary to control highway development in that area as we contemplated that this work would have to be done.

We have had strong representations in connection with this matter from the Reverend Peter Dawson, M.L.A."

The Vulcan District Board of Trade is now, or will be soon, the Vulcan District Chamber of Commerce. The registering of this change was approved at the November meeting of the business group.

Promise was made at the meeting that Santa Claus would be

around to make his stop at Vulcan again. No date or further information is available other than that a meeting will be held by sponsoring organizations later in the month to complete plans.

A highway sign, long sought by the Board, will cost in the neighborhood of \$500 according to an estimate submitted by W. H. Richardson of the highways committee. The agreement is that the town would pay half of the cost and appropriate small club or association "hooker" signs would be sold at \$50 per plank.

Gordon Brown, secretary of the Vulcan and District Artificial Ice Commission, described the past year of progress of the group and solicited the Board's support in its current drive to have artificial ice for the town skating rink.

Champion Movies

Notice is given on the Champion news page of the Advocate of the Saturday night movies which are beginning this week.

Confidence Game Foiled

Police Move To Enforce Garbage Burning By-law

During the September-October period a total of 97 complaints were investigated by local police with 15 of these going before magistrate W. M. Shields. Of the 15, 11 were for careless driving, speeding or other offences involving autos.

The confidence game extended into the sport of hunting recently when a stranger struck up a conversation with a local man in a restaurant one day and arranged an early morning shoot. He also borrowed the man's shotgun worth \$180. Early next morning the only one on the scene was the victim. When caught in Lethbridge the gun was recovered as well as a 9 mm. Luger revolver which he was carrying.

Gordon Daigles, transient, left town without paying for his hotel room and was arrested in Calgary by city police and returned for trial. He will be sentenced in November.

Townpeople and especially merchants are going to have to be more careful in their garbage burning habits in future. According to the by-law fires must not be left unattended after dark and violators will face prosecution. This is done in an effort to eliminate the hazards resulting when store garbage which is burned at closing time and left unwatched.

Hallowe'en, in police circles was generally quiet with little real damage being done. Several dozen eggs were taken from cars and one person was charged in court with disorderly conduct. Warnings were given to those roaming the streets and at midnight all offending cars were told to head for home.

Three auto accidents with damage over \$100 were investigated with charges being laid in one instance. Two smaller accidents with damage under \$100 were also checked and in one case a repeat offender lost his licence.

Three break-ins at local garages are being investigated as are three attempted break-ins.

Warnings have been issued school students following complaints of students speeding on downtown streets during noon hours.

Bicycles must be on their way out. Until recently four two-wheelers have been at police station awaiting owners and only one has been picked up so far.

Four business places were found unlocked during night inspections by police.

Will Conduct Evaluation Of High Schools

Evaluation of the County of Vulcan High Schools at Vulcan, Milo and Lomond will be conducted next week by a Department of Education team as part of a province-wide program that has as its eventual objective the evaluation of all high schools in the province. Efficiency of the high schools and their staffs as well as any shortcomings found will be covered in reports that will be presented to the School Committee at the end of this month.

The Department of Education team doing the evaluating is comprised of four high school inspectors: L. G. Hall of Lethbridge, Mr. Kunellus of Calgary, Mr. Blas of Red Deer and Mr. Massing of Edmonton; Mr. Aldridge of the Guidance Branch of the Department; Miss McFarland, supervisor of Home Economics for the Department, and Mr. McDougall, supervisor of Industrial Arts.

Calgary Youth Killed In Hwy. 23 Mishap

William Robert Rieser, 18-year-old Calgary youth, was instantaneously killed at about 3:00 a.m. Saturday, Nov. 17, when the car in which he was a passenger left the road and struck the entrance to a field. The driver of the car, Gordon Turley, 22, also of Calgary, suffered broken ribs in the mishap, which totally demolished the vehicle.

The young men, both of whom are employed in Calgary, had been visiting friends in Vulcan and were returning to the city. The accident occurred on Highway 23 just past the intersection with the Brant road.

Const. Harold Purdy of the Vulcan RCMP detachment investigated the accident and Coroner Dr. A. D. Tompkins has called an inquest to be held on Tuesday, Dec. 11.

Regular Meeting Good Deeds W.I.

Attending the November meeting of the Good Deeds Women's Institute at the home of Mrs. Dove Dmytar were 15 members and six visitors. After the usual singing of the Institute Ode, repeating the club women's creed and saluting the flag, roll call was answered by a recipe exchange.

Committee reports on the library, rest room, courtesy and treasury were next heard. Mrs. Deanna White read the CAC bulletin. Whether or not to listen and report as a group on the farm forum radio broadcast next month was debated and vote down. A visit to the local museum was suggested and a definite date set. A committee to fill the children's Christmas treat bags volunteered, Mrs. Eileen Wylie, Mrs. Agnes Campbell, Mrs. Nellie Hutton and Mrs. Jean Whitehead.

The annual election of officers followed adjournment of the business meeting, and are as follows: Mrs. Pat Dingwall, president; Mrs. Lena Brown, secretary; Mrs. Mona White, Mrs. Deanna White, vice and 2nd vice-presidents, and Mrs. Jean Whitehead, treasurer, were all returned to office for another year. The directors are Mrs. Eileen Wylie, Mrs. Ethel Mc Masters and Mrs. Louise Sandberg.

Mrs. Lena Brown arranged a handicraft demonstration on the making of animals, given by Mrs. Wilma Edgerton and assisted by Mrs. Vi Hagen. This was a most interesting program and enjoyed by all.

A delicious lunch was served by the hostess, Mrs. Liz Dmytar, Mrs. Lena Brown and Mrs. Jean Whitehead.

The Vulcan Golf and Country club got at least one more future golfer at its stag three weeks ago when Arnold Fraser of Arrowwood, won the set of golf clubs, bag and cart which was raffled this summer and drawn for at the annual Stag. Shown above are club vice-president Charles Fulton, and Mr. Fraser while his six-year-old daughter, Linda, is perched on the seat which is part of the luxury modelled cart. A

score keeper and umbrella go with the set, in fact about the only thing missing is a motor to make it completely mobile.

Mr. Fraser, agent for the Pioneer Grain Co. at Arrowwood, was told of his good fortune early Thursday and was in that evening to pick up the prize. This is the first win in years of ticket buying for Mr. Fraser. The set is valued at \$356.

50th Anniversary Celebration Is Everyone's Project

Vulcan's 1963 50th Anniversary celebration met last Wednesday night to discuss the three-day program. The days into which a concentrated series of events is scheduled are Saturday, Sunday and Monday, June 30, 31, and July 1st.

The celebration poses an ambitious project for the committee which will try to accent the "Old Home Week" theme and make it a memorable return for many ex-Vulcanites expected, along with fun and entertainment for the 1400 townspeople and friends from neighboring districts.

A tentative time-table is being made up at these early meetings and a most important phase of advance work is the job of letting people know of the celebration by various means soon to be implemented. It is the plan of the

committee to make the event well known quickly so that interested persons may plan their travels and holidays next summer to coincide with the anniversary days.

Joseph Gerding Elks Lodge Head

Installation of officers for Vulcan BPO Elks was held in Vulcan on Nov. 13, with the following officers being installed: Exalted Ruler, Joe Gerding; Past Exalted Ruler, Walter Dann; Leading Ruler, Pat Walker; Loyal Knight, David Leback; Lecturing Knight, Earl Galloway; Inner Guard, Bill Hilz; Tyler, Charles Trezure; Secretary, Mac Sinclair; Treasurer, Bill Crossfield; Historian, Herb Bender; Esquire, Ernie Bowie; Chaplain, Dick Irwin; Trustees,

Harvey Robertson, Lawrence Haga and Roger Middleton.

Installing officer was Past District Deputy Grand Exalted Ruler Gale Atkinson with Past Exalted Rulers H. Robertson, H. Matlock, Jim Clark, L. Haga and Floyd Atkinson assisting with the installation. J. M. Hyslop was acting secretary.

The patrol team was in attendance with Orville Lerohl appointed as assisting installing officer. Lunch was served after installation ceremonies were completed.

dresses so that contact may be made with them.

The anniversary celebration may receive a shot in the arm in the form of a side project which will serve a double purpose in its popularity if sponsors can be found. It is a 1,000 silver dollars raffle. That number of silver dollars would be put up by the sponsoring organization with the proceeds going to the fund towards an artificial ice arena in Vulcan. In that the Commission is convinced the arena could be turned into a multi-purpose building, the idea lends itself to the progress and improvement which is to symbolize the 50 years of growing.

I am not afraid of tomorrow, for I have seen yesterday and I love today.

FEATURING THE QUARTER HORSE STALLION
"SUGAR BUD"

Reg. No. P79109. Color— sorrel. Foaled 1956.
Breeder: H. W. Bradley, Oklahoma City, Oklahoma

The breeding, conformation, bone structure and way of going of this grandson of THREE BARS, coupled with the quiet disposition of his colts (90% of which are sorrel) have led several old-time experienced horsemen to believe this is the best Quarter Horse stallion in Canada today.

ALSO SELLING—

10 Brood Mares and their Colts; 6 2-year-olds, green broke and gentle; 8 Yearlings; 2 Good Saddle Horses —All by Sugar Bud.

Mares mostly of Trinidad breeding by Parsons (Sorrel purchased from Parson Land and Cattle Co., Trinidad, Colo., and bred by Matador Ranch in Texas). Brothers and sisters of these mares are being used on the OH Ranch and are free-moving natural cow horses. These mares were pasture bred to SUGAR BUD in 1962.

8 Registered top quality HEREFORD BULL CALVES— Sired by imported Colorado bulls, out of OH cows. These cows carry Mace, Crawford-Cross and Spooner breeding.

12 STEER CALVES—

Judged by Bert as being calf club and show prospects.

12 RANGE BULLS — 4 to 6 years old—

It is the policy of the OH Ranch to maintain a purebred herd for the purpose of raising range bulls for use in their commercial herd. This policy has resulted in market-topping reputation steers being marketed from the OH for a number of years.

In 1963 all range bulls in use will be by our two imported herd bulls enabling us to sell to the top end of our 1962 bull calf crop.

LONG HISTORY OF ALMERIA
 The seaport city of Almeria, on the Mediterranean coast of Spain, goes back to ancient Phoenician times, according to the Book of Knowledge. An old Moorish castle still rises above the city. The fortress-like cathedral dates from 1524. At one time Almeria harboured a notorious nest of pirates. During the Spanish Civil War in the late 1930's, Almeria was shelled by German warships and was seriously damaged. Today it is a busy centre of Spanish exports.

Listen to your conscience — before the wreck happens.

YOU HAVE A HAND IN THINGS CANADIAN
 when you own Life Insurance

Surprising? Yes—but true. Like most people, you have probably thought of your life insurance—as protection for your family—as a good way to save money regularly—as a valuable collateral if you need a loan for an emergency—as a retirement plan for you later on.

Actually, your life insurance dollars are more than an investment in your personal security and your family's. These dollars are also an investment in Canada. They stimulate growth and progress and help make this country a better place in which to live and work.

At this moment, 9 BILLION DOLLARS of life insurance savings are invested in

important Canadian enterprises—through the purchase of bonds and stocks and through mortgages.

These hard-working dollars are helping to finance great projects all over this country such as pipelines, shopping centres, bridges and highways, homes, apartment and office buildings, schools, factories, industrial plants and power developments. These investments create employment opportunities, too.

The income from these investments benefits you directly by reducing the cost of life insurance to you and the 9 million other Canadian policyowners.

11 Agriculturists appointed to PFRA ADVISORY COMMITTEE

Appointment of 11 prominent western agriculturists and conservationists as members of a new Prairie Farm Rehabilitation Administration advisory committee was announced recently by Agriculture Minister Alvin Hamilton.

The new members are: from Saskatchewan — Norman Roebuck, Yorkton; Boyd Anderson, Fir Mountain; W. H. Hollier, North Battleford; F. E. Wright, Eastend; and H. J. Collison, Star City; from Alberta — James Cameron, Youngstown; Arnold F. Christie, Grand Prairie; Deane Holyroyd, Lethbridge; from Manitoba — Roy Clark, Brandon; Fred Croy, Stonewall; and Harry Shearer, Elm Creek.

Mr. Roebuck will serve as chairman of the committee.

In accordance with Sections 3, 4 and 5 of the PFRA Act, the terms of reference of the Advisory Committee shall be "to consider and advise the Minister as to the best methods to be adopted to secure the rehabilitation of the drought and soil drifting areas in the Provinces of Manitoba, Saskatchewan and Alberta, and to develop and promote within these areas systems of farm practice, tree culture, water supply, land utilization and land settlement that will afford greater economic security."

They will also make recommendations on ways in which PFRA can tie in most effectively with the Agricultural Rehabilitation and Development Act program at the local level.

Mr. Roebuck, 61, a farmer, is a graduate of the University of Saskatchewan. A former municipal councillor, he is a member of the executive of the Canadian Swine Breeders' Association and the Canadian Hereford Association, a 4-H Club director, chairman of the agricultural committee of the annual Yorkton Fair, and a member of the board of the Yorkton Union Hospital. He is also a farm broadcaster for CKOS-TV, Yorkton.

A farmer-rancher, Mr. Anderson, 42, served overseas in World War II with a parachute battalion. Councillor of the rural municipality of Waverley for 14 years and reeve for three years, he is also president of the Fir Mountain Community Hall and a member of the Saskatchewan Agricultural Representative Committee and of the Saskatchewan Stock Growers' Association.

Mr. Hollier, 61, is Travel Superintendent for the Saskatchewan Wheat Pool. Prominent in the grain trade, he joined the Saskatchewan Wheat Pool in 1925 as elevator agent. Earlier he was associated with Aspie Leaf Grain Company and Security Grain Company as an elevator agent.

Mr. Wright, rancher, merchant and conservationist, has served as mayor and councillor in Eastend. Active in promoting the sheep industry in southwestern Saskatchewan, he formerly headed the sheep co-operative for that area. Mr. Wright is an active member of farm and ranching organizations and is one of the original advisers to Hon. Robert Weir, former minister of agriculture, in connection with the establishment of PFRA.

A graduate civil engineer of the University of Saskatchewan, Mr. Collison took up farming in 1931. He has been reeve of the rural municipality of Star City for about four years.

Mr. Cameron who farms in the Youngstown area, is a director of the Western Reclamation Association. His long-time interest in PFRA has now been extended to include ARDA.

Mr. Christie, who retired in 1956 as divisional superintendent of United Grain Growers, has returned to farming at Grand Prairie where he first farmed in 1922.

Mr. Holyroyd, of Lethbridge, is a successful farmer and a member of various agricultural organizations. He is a municipal officer and a member of the board of the local hospital.

Mr. Clark is chairman of the board of Brandon Pool Elevators, director of the Provincial Exhibition Board, trustee of the Brandon school board, and past

— LAST WEEK'S MARKET REPORT —

TUESDAY Calf and FEEDER SALE, NOV. 9th—
 Our calf and feeder cattle prices still remain higher than the surrounding markets. This is because (1) Both the contributors and the buyers like our clean, under-cover pens, with all cattle being government veterinary inspected for contagious diseases. (2) We "sort" the cattle to suit everyone concerned. (3) Our business is conducted in an above board manner. We do not deal and we do not sell to unidentified buyers.

Outstanding good Steer Calves suitable for export \$28 to \$31; Good Quality Steer Calves \$26 to \$28.50; Other Calves \$19 to \$25. Outstanding Good Heifer Calves suitable for export \$24 to \$26.25; Good Quality Heifer Calves \$22 to \$24; Other Heifer Calves \$17 to \$21.50; The heavy Big Fat Calves are being discounted slightly. Good Feeder Steers \$23 to \$25.50; Medium Feeder Steers \$20 to \$22.50; Other Feeder Steers \$16 to \$20; Good Feeder Heifers \$20 to \$22.50; Medium Feeder Heifers \$17 to \$20; Other Feeder Heifers \$14 to \$16.50.

FRIDAY BEEF and FEEDER SALE, NOV. 16th—
 We had no good steer or heifer beef on offer. Our best Steer sold at \$25; Our best Heifer sold at \$23; Good Cows \$14 to \$16.50; Common to medium \$10 to \$13.50; Canners and cutters \$5 to \$9.50 or subject. The calf and feeder market was in line with our Tuesday sale.

SATURDAY PIG and MILK COW SALE—
 Prices were slightly lower than a week previous and we had no milk cows on offer. Weaner Pigs \$7 to \$11; Feeder Pigs \$11.50 to \$32; Piggy Sows \$45 to \$80; Boars \$15 to \$40; Baby Calves \$15 to \$30; Milk Cows, not here.

THE NEW RELIABLES

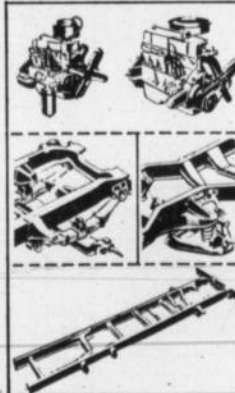

ONLY CHEVROLET OFFERS THIS PROVEN PAY-OFF
IN POWER, PERFORMANCE AND DEPENDABILITY

1963 Chevrolet trucks proved their mettle before they went on sale. To do this, six Chevrolets were taken across the continent for a 2,000 mile shakedown run through some of the wildest terrain in North America—the Baja California peninsula in Mexico.

Chevrolet's power, performance and dependability paid off—the entire run was completed without a breakdown, failure or delay; and with only normal maintenance! That's how '63 Chevrolet trucks got the name "The New Reliabilities".

This proven reliability is built into every '63 Chevrolet truck. Whether you run 'em cross-country or cross-town, '63 Chevies will deliver what they promise!

Get the facts today, from your local Chevrolet truck dealer, then you'll know—Chevrolet pays off!

NEW POWER for '63, Chevrolet has two new engines—a 230 cu. in. Six (140 hp) and a 292 cu. in. Six (165 hp). Both are equipped with 7-bearing crankshafts, positive crankcase ventilation, full-flow oil filter and Delcotron generators. They're the newest additions to Chevrolet's complete line of proven performance-tested engines.

TWO NEW SUSPENSIONS. Light Duty Chevies feature independent coil spring front suspensions for top comfort and increased durability. Standard equipment for Medium and Heavy is Chevrolet's new Variable-Rate leaf spring front suspension. Based on Chevrolet's work-proven Vari-Rate rear suspension, it provides better tracking and handling with reduced maintenance.

NEW FRAMES. Stronger, more durable ladder-type frames are '63 Chevrolet's backbone. Each frame, in each series, has been specifically engineered and built to meet the demands of load and road conditions. It's Chevrolet's way of making sure that every payload pays off in profits for you!

Cooking Demonstrations In District

"Fashions in Food" cooking ed by warming them for a few seconds in the electronic range. Is there any change in flavor? No, the characteristic flavor of each food is maintained. There is no change due to microwave cooking.

Let's shine our inquisitive spotlight on the amazing electronic range — the greatest advance in cooking equipment in our lifetime, and see what we can find. It is bound to show up some pretty startling facts. I know I was really intrigued and impressed with the electronic range at first glance. Naturally, many questions popped into my mind as they would have into yours. Here are the answers to some of them:

Is the "electronic range" a range or an oven?

Actually, this electronic unit is more than an oven. While it bakes and roasts, it will also perform many of the cooking jobs done on top of the range (cook frozen vegetables, white sauce, eggs, soups, stews and cereals).

What are microwaves?

Microwaves are a particular type of high frequency radio energy which when applied to food produce heat within the food. Microwave energy can be transmitted, reflected and absorbed. When it is absorbed and only when it is absorbed, it is converted into heat. Food absorbs the energy and consequently becomes hot.

Is it safe?

Yes. The user does not come in contact with the microwaves because the cooking action stops as soon as the range door is opened.

Wonderful news — danger from burns is eliminated.

How much electricity does it use?

About the same or even less than the conventional electric range.

Is installation a problem?

No, the range is compact, requiring only 24 inches of wall space. It uses a 3-wire, 220 volt circuit, same type outlet, and same type cable as the conventional electric range. It can be built into the wall or on kitchen cabinets.

Does microwaves cooking improve quality of food?

It freshens leftovers and also day-old breads. Practically stale pastries can actually be "refresh-

ed" by warming them for a few seconds in the electronic range.

Is there any change in flavor?

No, the characteristic flavor of each food is maintained. There is no change due to microwave cooking.

How fast does it cook?

Cooking in an electronic range with microwave energy is amazing-fast — egg cooks in 20 seconds, bacon needs only 75 seconds, a hot dog - 20 seconds, a 5-lb. roast is done in 30 minutes, compared to over 3 hours required by usual methods. These are only few examples of the unbelievable speed at which this range operates. However, seeing is believing!

How does this type of cooking affect the appearance of food?

Browning does not occur except with foods that take longer cooking period over 12 to 18 minutes — such as large roasts or poultry. Special electric units are provided to brown foods that cook in short periods of time.

What about recipes?

Generally, different recipes are not needed. But, some of the accepted methods of preparation and timing need to be changed. Test recipes have been developed and are provided with the range.

What cooking utensils can be used?

Glass, china, paper and some plastic products transmit the energy to food and thus are recommended. Since there is no absorption, they keep cool. Metal utensils and foil reflect the waves, and therefore, slow down the cooking.

Does oven load alter cooking time?

Yes, generally, the size of the load determines the cooking time. For instance, a single potato is baked in four minutes, while four potatoes need eight minutes. However, the manufacturer provides adequate instructions.

What does this mean to you?

Microwave cooking means producing hot food in a coil atmosphere in cool utensils in a cool range — with a cool temper!

Think of it — bacon frying to perfection on a paper towel! No greasy frying pan to clean. Muffins rising light, tender and fluffy right before your eyes — in a matter of seconds! Pot washing and watching reduced to a welcome minimum. Isn't it a dream come true?

Must we be so vain as to be sure we can prevent another war?

Those engaged in Civil Defence fear war more than the general public because they realize that madmen or mischance may suddenly begin one.

Is there any logic or reason in the thinking of those who are deliberately planning to become casualties by doing nothing?

Letters to the Editor

Spirit River, Alta.

Nov. 10, 1962

To the Editor of The Advocate,

Dear Sir:

Enjoy reading your local paper that I still subscribe to, even though we are now living in Northern Alberta.

The progress of your clean town is quite apparent in the Vulcan paper. I will be most interested in your "hockey" news this winter. My best wishes to the Junior Hockey for a "high" scoring season.

Sincerely,

Bud Johnson.

P.S. Often send your paper on to relatives in the Northwest Territory and also Vancouver.

To the Editor of The Advocate,

Dear Sir:

Never has the subject of education received such widespread publicity as it is receiving at the present time. The topic is kept continually before us through the media of television, radio, newspapers and magazines. Educators, administrators, legislators and lay people alike are showing their deep concern and interest in the education of our young people. And never before has the educational program undergone such vast changes at such a fast pace. However — residents of the Vulcan district do not appear to share the general interest and concern for education. We are wondering why.

Recently some 500 parents of students of the Vulcan Consolidated High School were requested to show their interest by attending a meeting to consider the advisability of organizing a Home and School Association, with a view to promoting a closer liaison between parents and staff. Less than 10% of these parents attended. What is your responsibility? Is it enough to pay your school tax and send junior off to school? Are you well enough acquainted with the ever-changing school program to give junior the understanding and guidance which he needs? He is facing a complex world. Are you equipped to advise him?

One of the objects of Home and School is "to give parents an understanding of the school and its work and to assist in interpreting the school in all its aspects to the public." Your high school staff would welcome the opportunity to do this, through such an organization. Will you not meet their wishes? We believe that you will, and we are once more asking you for your co-operation. A Home and School Association welcomes as members all those who are interested in the field of education.

Your children may not yet be in high school but they will reach it sooner than you think, and you

will want to be aware of what the future holds. Do show your interest by contacting Mrs. F. Bates or Mrs. Henry. The possibility of organization of Home and School depends on your attitude.

CLUB ACTIVITIES

Lomond 4-H Club Annual Presentation Program and Dance

The Lomond 4-H Club held their Annual Presentation Program and Dance at the Lomond Community Hall on Friday evening, Oct. 19. The program consisted of several musical selections.

Presentations were then made, which are as follows: 1st place calf (Ruggles Farm Trophy), Miss Wendy Elliott; 2nd place calf (Paul Maier Trophy), Donald Maier. The Lions Club Efficiency Trophy for the most points was won by Miss Wendy Elliott who had a total of 413 points. Each 4-H member and the Pee Wee's received \$6.00. This was donated by the Lomond Grazing Association.

The Lomond Community Club donated \$10 for the two top calves in the Lomond show. \$5.00 of this went to Miss Wendy Elliott and \$5.00 to Donald Maier.

The Good Will Service Club and the 4-H Club donated \$5.00 each for the best set of records. The winner of this was Miss Wendy Elliott.

The Armada Community Club donated \$5.00 for the second best set of records and winner of this was Miss Lois Root.

The Lomond Birthday Club donated \$10.00 for the highest number of points; winner being Miss Wendy Elliott.

The 4-H Club donated \$5.00 to second highest number of points with winner being Miss Lois Root.

The Good Will Service Club donated \$5.00 to the youngest 4-H member who had been in the club the longest, Miss Terry Teasdale.

The parents of the 4-H Club members will have a meeting at the hall kitchen on Monday evening, Nov. 19.

A re-organization meeting of the Lomond 4-H Club was held at the school on Nov. 2nd.

Officers for the new term are as follows: President, Miss Lois Root; secretary, Miss Marie Bolde; vice-president, Miss Charlean Lucas; correspondent, Miss Marilyn Magnuson; junior leaders, Miss Wendy Elliott and Bill Thompson. Five adults were voted on by the members. From these five will be chosen a leader, assistant leader and the other three will be the advisory committee.

BRANT
David Hansen, who successfully passed his basic training at HMCS Cornwallis, Nova Scotia, had his leave cancelled and is now stationed on the destroyer HMS Saguenay.

Mrs. Louise Gingras and family of Brant spent the weekend at Edmonton and other various points while visiting Carolyn and other relatives.

Mr. and Mrs. Elton Wilkinson and family were weekend visitors of Mr. and Mrs. S. Graham and Mr. and Mrs. J. Wilkinson.

LADIES' AID MEETING
The regular meeting of the Brant Ladies' Aid was held in the church hall with 14 members present. Mrs. Una Barley presided while Mrs. Sinida Bateman handled secretary's duties in the absence of Mrs. Beverley Davies.

Mrs. M. Pearson took the theme "Remembrance" as she lead the devotional. Mrs. Bateman read a letter thanking the ladies for the 65 pounds of clothing which were included in a 20-ton shipment from Vancouver from the United Church for missions in the Far East. Appreciation was expressed to Mrs. Phyllis McDonald and Mrs. Sophie Jorstad for their canvass of the district for the Canadian Bible Society.

Mrs. M. Pearson and Mrs. Jean Olson then brought in the names of those willing to stand for office in 1963. They were voted in by acclamation. The new slate of officers is as follows: President, Mrs. Phyllis McDonald; 1st vice-president, Mrs. M. Pearson; secretary, Mrs. Nell Stotts; treasurer, Mrs. J. Graham.

Following the business meeting, three groups were formed to dis-

cuss and offer suggestions for next year's programs.

A lovely luncheon then was served by Mrs. Mary McDonald and Mrs. Sophie Jorstad.

HOME & SCHOOL ASSOCIATION
The regular meeting of the Brant Home and School Association was held Wednesday, Nov. 7, with Mrs. Phyllis Hunter, president, in attendance.

Mrs. Hunter reported on the County Council Home and School meeting. There was a discussion on the lack of contact between parents and teachers of the high school in Vulcan. Recommendation was made for the forming of a Home and School Association for the Vulcan high school.

Mrs. Chandler who attended the Banff work shop, reported an interesting four days training in programming. Mrs. H. Holoboff announced a program on children's reading for December. Mrs. I. Ball, announced plans for parent-teacher interviews to be held on Nov. 19.

Mrs. Betty Garbutt, vice-president of the Alberta Federation of Home and School gave a stimulating talk in defence of Home and School Associations. It is a democratic privilege to be Home and School Association members said Mrs. Garbutt. She went on to say that democracy did not come into existence easily and it is the responsibility of each one of us to preserve these privileges. Mrs. Pat Gallagher assisted Mrs. Garbutt during a question period.

Lunch was served by Mrs. Charlotte Green and Mrs. Louise Gingras.

Attends Leadership Course at Banff

Mrs. Thara Scott of Majorville returned recently from Banff where she attended the Leadership Techniques Short Course.

The course is designed to assist rural people to prepare themselves for more demanding positions in community leadership. It deals specifically in public speaking, chairmanship, business procedures and program planning.

The sponsoring ladies are the three branches of the Farm Union, the Women's Institute, Extension Department, University of Alberta, United Grain Growers and the Alberta Wheat Pool, who sponsored Mrs. Scott this year.

Rural people who wish to take advantage of this course are advised to contact any of the sponsoring bodies or write to the Agricultural secretary, Department of Extension, University of Alberta at Edmonton.

Sportsmen Meet

Dave Hunt, president of the Lethbridge Fish & Game Association, will be guest speaker at the final meeting of the year for the Vulcan and District Fish & Game to be held Wednesday, Nov. 28.

Also on the program will be a wildlife film photographed and narrated by J. Allen Baker of the Bar U Ranch, west of High River.

The crow and magpie campaign is over for the year and the results show a drop from 1961. 530 pairs of crow or magpie feet were

MR. AND MRS. GEORGE E. BELL

"Open House" for Golden Wedding

The family of Mr. and Mrs. George E. Bell of Gleichen held an "Open House" on Sunday afternoon, Oct. 28, at the Gleichen Legion Hall in honor of their parents' Golden Wedding Anniversary. It was a time for reminiscing and renewing friendships of many years as scores of friends called.

The guest book was in charge by Misses Lynda and Carol Brown, two granddaughters. A special guest was W. A. Brent, brother-in-law, who came from Hespeler, Ont. to be present for the occasion.

Sharing pouring honors at the beautifully decorated tea table centred by a three-tiered wedding cake, were sisters of Mrs. Bell: Mrs. Maude Farquharson and Mrs. Caroline Dunn from Calgary, Mrs. Gordon Dafee from De Winton, Mrs. Ken McPhee and Mrs. Neal McMillan from Gleichen. Assisting in serving were Mrs. E. Holland and the couple's nieces, Mrs. Colin Grant and Mrs. Hugh Wilson from Gleichen, Mrs. Esther Gilbert, Mrs. Douglas McMillan and Mrs. Gordon Dunn from Calgary.

One of the high - lights of the afternoon was a presentation of a turned in last year compared with 303 feet during the recent campaign.

Jim Samaroden of Mossleigh topped the hunt this year with 101 pairs turned in. In 2nd place is Gordon Marshman with 71 pairs, while Brock Fisher with 50 pairs is in 3rd position.

Vulcan Students Attend High River Basketball Clinic

To improve the basketball officiating and consequently the calibre of play a referee's clinic was held in High River on Saturday, Nov. 17.

Chief referee for Southern Alberta, Harry Bullen, acted as the main instructor. The agenda included the interpretation of rules and floor coverage technique in the morning. Following lunch most of the 27 entrants wrote a written test on the rules. After this two referees at a time would take the floor test under an actual game situation. Some of the more interested grade 12 players from Vulcan helped the High River boys out in this game.

The clinic was classed a success, especially when the following towns were represented: Turner Valley, Black Diamond, Okotoks, High River, Cayley, Nanton, Claresholm, Fort Macleod, Blackie, Mossleigh, Milo and Vulcan.

This is expected to become an annual event with as much continuity as possible. From this such clinic a referee may become carded under the provincial association. Participating from this area were: Del Olsen, Carolyn Robertson, Barry Gore, Brian Bittorf, Bob Inglis, all of these from Milo. Ross Ens, Wayne Green, Leonard and John Robinson of Mossleigh. From Vulcan were George Lagore, Don Houlton and the director of the clinic, Gordon Drusky.

Because of the distance involved to come to practices, it is not required that the player participate in all practices of volleyball.

Participating in the teams are: Team 1— Graham Markert (captain), Ross Ens, Frank Cummins, Larry Losey, Teddy Shaw, Bob Cockwill, Wallace Prater, David Lundgren, Wes Schierman and Eugene Carruthers. For the girls— Lorraine Roebuck (captain), Donna Schneider, Shirley Markert, Marlene Bertschy, Shirley Sandberg, Laura Fulton, Donna Fleming, Leslie Petronech, Pat Giles, Jo Anne Richardson and Pat Christensen.

Team 2— Eddie Gallagher (captain), Dennis Sparks, Bryan O'Reilly, Philip Gingras, John Fra-

Candlelight Circle Names Officers

The November meeting of the Candlelight Circle met in the church study. Fourteen members answered the roll call with a Bible verse on, "Remembrance."

The correspondence included a newsletter from Leah Mashier of Kulpahar, India. Missionary money for November to be sent to the Alberta Bible College. Plans were made for a Christmas party on Dec. 13.

At the conclusion of the business meeting the election of officers was held with the following being returned: President, Mrs. Bill Turley; vice-president, Mrs. Nelsie Robertson; secretary - treasurer, Mrs. Clifford Webber; social secretary, Mrs. Jack Deans.

Ron Pelham brought the devotional followed by a film dealing with children "From 10 to 12" Mrs. Howard Spaeth had a very interesting contest.

A delicious lunch was served by Mrs. Ivan Haga, Mrs. Richard Hammer and Mrs. Hank Rutberg.

CARMANGAY

The Hospital Auxiliary will hold their regular meeting on Nov. 29, in the church basement at 8:00 p.m. Guest speaker will be Mr. Mason of Calgary who will speak on "New Drugs and their uses." Mr. and Mrs. Billy Moore and sons were visitors at Cranbrook last weekend.

Bob Teskey of Calgary visited with his parents, Mr. and Mrs. Villias Teskey.

CUB-SCOUT GROUP COMMITTEE
The Carmangay Scout-Cub Group Committee was held on Nov. 12, with G. Moore in the chair and a good attendance present.

It was reported that 19 Cubs and 14 Scouts were enrolled this fall.

An election of officers was held and they are as follows: Chairman, Bob Hubka; vice-chairman, Adolph Schumaker; secretary-treasurer,

Dorsey Street; finance committee, Stan Lyckman; training committee, Jarvis Brownell; public relations, W. Miller; badge secretary, Elaine Parker.

Reports from Cub master and Scout master were read and approved. The Scout and Cubs will not be selling trees this year. The next meeting will be held on Jan. 7, 1963.

50th ANNIVERSARY
Mr. and Mrs. S. E. Thompson of Carmangay celebrated their Golden Wedding with a reception on Sunday, Nov. 18. Daughters Joy of Trail and Dorothy of Calgary, received with their parents. Granddaughter Norma Joy looked after the guest book. They received many gifts. The community gave them a pair of chairs.

Out-of-town guests for the occasion were Mrs. Joy Bentley and Gordon of Trail, Miss Dorothy Thompson and H. Liddell from Cal-Schumaker; secretary-treasurer, Gary, Miss Norma Joy Bentley

of Banff, Mr. and Mrs. J. F. Thompson of Vancouver and Fred and August Jansen of Sabula, Ia.

Many friends and former residents of the district called in the afternoon to extend congratulations and good wishes. Congratulations were received from Lt./Gov. Percy Page and Premier E. C. Manning.

HOME & SCHOOL ASSOCIATION

The Carmangay Home and School Association celebrated its 20th anniversary on Nov. 16, 1962. About 75 people attended the celebration.

Mrs. Elnora Anderson, president of the Home and School, opened the program. Ron Toutant, principal of the Carmangay school, welcomed everyone. Mrs. Emma Smith gave a reading on the "History of the Carmangay Home and School Association." Mr. Miller read the letters of congratulations. Miss Verna Baldwin and Miss Marilyn Baldwin (cousins) sang two duets, "It's Later Than You Think" and "Tell Me Why."

The Carmangay Home and School Association was started in 1942 in the old brick school. President was Ken Miller and secretary was Miss Dolly Tenant. Principal was Leonard McKenzie. All three were present for the celebration and reminisced for a few minutes on the outstanding incidents they could remember.

Also present for the occasion were Mrs. Fry of High River, Mrs. Marie Gallagher of Brant, Lawrence Smith, Regional Director of

Home and School Association. Mrs. Hilda Lyckman brought greetings from the President of Federation of the Home and School Association.

President of the Carmangay Home and School Association presented Miss Shirley Burns with a Grade 9 scholarship from the Carmangay Home and School Association. Mr. Toutant conducted a sing-song, accompanied by Mrs. Emma Smith. Mrs. Fry spoke on the "History of the Home and School Associations."

Lawrence Smith, regional director, spoke on "Full Partners." Donald Hansen sang three solos.

The evening concluded with a very enjoyable lunch. The tables were decorated beautifully with flowers and candles. Miss Dolly Tenant cut the birthday cake.

QUEENSTOWN

In last week's report of the Meteorological Branch it should have read September, not November.

Congratulations go out to Mr. and Mrs. Leigh Robertson on the birth of a son in the Vulcan hospital on Saturday, Nov. 17.

The members of the Queenstown Milo Canadian Legion held a work bee at the Legion hall on Saturday afternoon. They insulated the ceiling, banked the building and covered the windows with plastic.

A fair attendance was reported at the Women's Institute potluck supper held Saturday, Nov. 17.

The Ladies Auxiliary of the Queenstown-Milo Legion are going to alternate with the Women's Institute in sponsoring the winter card parties. The WI are holding their first card party on Friday evening and the card parties will continue until spring.

Get-well wishes go out to Mrs. Elizabeth Bojes, who underwent surgery in the Calgary General hospital last week.

A five bushel quota is now in effect at Queenstown.

Mrs. Eva Ivers, Mrs. Corrie Taggart and grandson Timmy accompanied Mrs. Bea McCord to the home of Mrs. Cecelia Webber on Wednesday afternoon when they attended a Rebekah tea.

Mrs. C. Gooch and Mrs. A. Godkin were involved in a car accident near the Corner Store on Saturday evening. Although Mrs. Gooch's car was damaged, we are pleased to report that neither of the ladies sustained injury.

BLACKIE

Mr. and Mrs. Roy Meadows and family spent a few days visiting at Moose Jaw at the home of her sister, Bernice Belbin and Mr. Belbin and family.

Following the regular meeting of Fairview Rebekah Lodge on Monday evening, guest speakers were Miss Joan Kumlin and Miss Roxanne Hellevang of Milo.

Miss Louise Wollersheim, in training as a nurse in Lethbridge, was home for the weekend.

Mr. and Mrs. Jim Finley were visitors in Rosebud at the home of his brother-in-law and sister, Mr. and Mrs. Andrew Groeneveld.

There are ten High School curling teams with the following as skips: Grant Cooke, Larry Finley, Larry Maisy, Lloyd Pedersen, Bob Seney, David Stewart, Ken Sultor, Marvin Sultor, Barrie Thurber and Brian Willocks.

Harry Finley of Vancouver was a visitor here at the home of his brother and sister-in-law, Mr. and Mrs. Milt Finley.

The Blackie Curling Club held a successful turkey shoot on Wednesday realizing a good profit for the organization.

Ron Groeneveld left by plane on Thursday for Holland where he will attend the funeral services of

his father. Sincere sympathy is extended to Mr. and Mrs. Groeneveld and family.

Mr. and Mrs. D. MacDougall were guests at the home of Mr. and Mrs. S. Eggar, east of Brooks. Mrs. L. Lindquist's sister-in-law, Mrs. George Witt of Washington and her sister from northern Alberta were guests at the Lindquist home. The ladies had just returned from a trip to Toronto.

Friends of the district are saddened by the news that Ross Lytle passed away and express sympathy to his wife Norma and two small children and other relatives.

The November meeting of the United Church Women Nightingale group was held in the church basement with Mrs. R. Elliot as hostess. There were sixteen present. Roll call was answered with a pair of scissors for the sewing kits.

Twenty-five attended the regular meeting of the Blackie Home and School Association held on Tuesday Nov. 13.

When moving heavy furniture, slip old wollen socks over the legs to prevent marking floors. If furniture has flattened the pile of a rug, steam it for a few minutes either with a steam iron or with a folded wet cloth under a dry iron.

ELECTRA 225 HARDTOP SEDAN
4-door 6-window pillarless sedan ... one of 5 great new Electras.

Bold, Beautiful Buick for '63

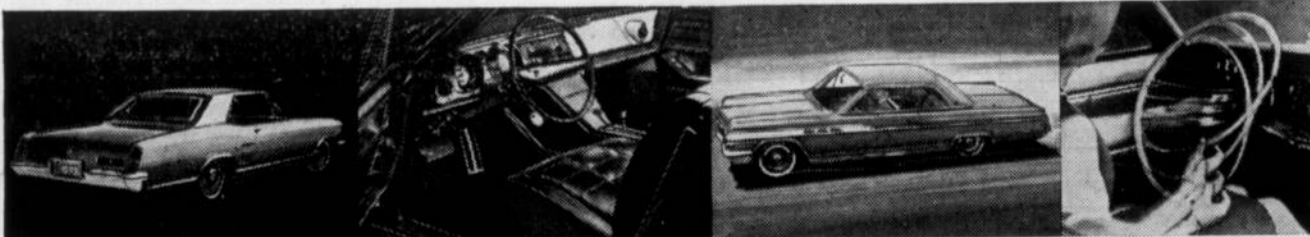

Buick is a new breed of beauty for 1963. From its bold new grille to the sleekly handsome rear deck, there's a new, longer silhouette that's distinctively Buick... beautifully Buick. But styling is not the only area of Buick advancement. You'll find luxurious new interiors, with new fabrics and trim, elegantly catering to your comfort. There are newly designed instrument panels, too, that further accentuate Buick's interior refinement. And just as Buick has set a new standard in styling, Buick's engineering has also gone to greater heights. There are new and mighty Wildcat V8 engines. Unmatched smoothness with exclusive Turbine Drive (standard on all full-size Buicks). And

LESABRE • WILDCAT • INVICTA • ELECTRA 225 • RIVIERA • SPECIAL

Advanced Thrust engineering gives you the maximum car control whether on curves or in crosswinds. There are other advancements like the new Delco-tron generator that keeps charging your battery even when your engine is idling. There's the new, improved heater and defroster with "cool air" defrosting. You'll have to see the new Buick to get the full 1963 story. There are 17 models in 5 distinct series this year. See them all and you'll know why you belong in a Buick for 1963. See, too, the nine happy trim-size Buick Specials.

NEW RIVIERA Here's the '63 car that's completely unique—different from any other car in the world—the Riviera. Exclusive in design, features and craftsmanship, Riviera is another classic masterpiece of Buick style and quality.

Boldly advanced design and engineering are through-the-line characteristics of Buick for 1963. You see more than a hint of both in the handsome instrument panel, as well as the distinctively appointed and upholstered interior of the Buick Riviera above.

NEW WILDCAT SERIES Wildcat, the star among the '63 Buick's hot performers comes in sparkling new 2 and 4-door hardtops and a flashing convertible. Exciting performance... exhilarating sport car feel... racy appearance... that's Wildcat!

The new adjustable tilt steering wheel* locks into any of seven positions to suit your desired driving position. To get in or out, just flip the wheel up.

Mr. and Mrs. L. M. Chase and son Terry, accompanied by Johnnie

Pytlarz and Mrs. Marie Zambaldi, were visitors in Lethbridge on Saturday of last week.

Mr. and Mrs. Fred Walker are now residing in Lethbridge.

Friends will be happy to learn that Mr. Paul Maier of Lomond won a first award in the Senior Yearling Bull Class at the Winter Fair in Toronto. Congratulations.

Mr. and Mrs. Gordon Elliott, formerly of the Lomond and Nanton district and now residing at 4817 Cardova Bay Rd., Victoria, B.C., will be observing their golden wedding anniversary on Wednesday, Nov. 28, and will be at home to their friends. Heartly congratulations are extended from their many friends at Lomond and district.

Deepest sympathy of friends in Lomond and district is extended to members of the Brotherhood families at the news of the sudden death of George Brotherhood at his home in Armada on Wednesday, Nov. 14. He was 42 years of age. Funeral services are being held at Milo on Monday, Nov. 19.

Messrs. Henry Huff, Doug Walker, Fred Walker and Ralph Chapman were in Lethbridge on Saturday night to curl. They were accompanied by their wives and all attended the social evening held after the curling.

Mrs. Joan Hart and girls were weekend visitors in Vulcan.

ST. JOHN'S ANGLICAN GUILD

The regular monthly meeting of the St. John's Anglican Guild was held Wednesday evening, Nov. 14, at the home of Mrs. Jean Fraser. Roll call was answered by paying a penny for each pound of weight. The comments, etc., proved very amusing.

Forty dollars was received in the collection at the Music Recital and was put in the organ fund which Mr. Frost and Mr. Goldthorpe are taking charge of. The vanity night to be held this month was discussed and planned for. Proceeds from this will also go to the organ fund. The guild has been asked to cater to two wedding receptions. Plans for these will be completed at the December meeting which will be held at the home of Mrs. Mary Frost on Thursday evening, Dec. 6. On lunch, Mrs. Chambers, Mrs. Ruppert, Mrs. Fred Maronda and Mrs. Chase. Roll call, a penny for your age.

A lovely lunch was served by the hostess and her assistants to end a very pleasant evening.

Alberta Junior Citizen Award Winner

LINDA BOCHEK

Strathmore, Alberta

Imagine you have complete charge of a household. You're cooking, cleaning, washing and ironing and keeping a big household garden. You're getting your brother, your father and yourself off to school and work each morning . . . and you're only thirteen years old! This is what our award winner Linda Bocek did this year, while her mother was sick in the hospital for two months.

Yet during this time Linda was also taking her first year of music lessons and she advanced so quickly that she passed her Grade Four Royal Conservatory examinations with honors.

She also found time to win first prize in an art contest. And not to ignore her sports activities Linda took part in the annual school track meet and passed her Red Cross Senior swimming test.

Now you'd think with all these activities and responsibilities something would suffer — but not so! She achieved outstanding scholastic success too, passing Grade Seven at Samuel Crowther School with honors in every subject.

We join with editors of Alberta's weekly newspapers in congratulating this girl and her parents Mr. and Mrs. J. Bocek, on her outstanding achievements under adverse conditions — truly a "Junior Citizen of the Year."

CALGARY POWER LTD.

Serving the province of Alberta

This is one of six announcements about the 1961-1962 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledges the active participation of Alberta's weekly newspaper editors, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible. For this winner our special thanks go to Mr. K. Q. Bergh, Editor of the Strathmore Standard and to Mrs. Mary Mercer of Strathmore who nominated Linda for the award.

About the only silencer that worked at this and other tables during the Golf Club stag Wednesday, Nov. 7, was food and it was being attacked with real zeal as this photo was taken. Shown around the table from left to right are John Wolfe, Vernal Haga, Frank Fletcher, Gale Atkinson, Frank Wythe and Dr. Fred Schneider.

Brief Items of Local Interest

Mrs. Marg King and her mother, Mrs. Brown of Banff, who has been her guest, motored to Calgary last week, accompanied by Mrs. C. Rea and Mrs. S. Degenstein.

Friends of Miss Lizzie Fulton will be sorry to learn she underwent surgery at a Calgary hospital recently. Best wishes for a speedy recovery are extended to her by her many friends here.

Mr. and Mrs. Schatle of Medicine Hat were weekend visitors at the home of their son-in-law and daughter, Mr. and Mrs. Norman Lebsack.

Lloyd Jones is presently a business visitor to Vegreville.

The Vulcan Ladies' Curling Club is holding a meeting in the Curling Rink Monday, Nov. 26, at 4:00 o'clock. Everyone interested in curling this winter is urged to attend.

Vulcan will be one of 20 areas in Southern Alberta to be represented at the semi-annual Circuit Assembly of Jehovah's Witnesses in Calgary, Nov. 23-25, at Crescent Heights High School Auditorium. Gordon Chapman, the presiding minister of the Vulcan congregation, announced recently that almost the entire Vulcan congregation has accepted the invitation to be present for the Bible Seminar.

Friends of Mrs. Clare Swanson of Olds, recently a Vulcan resident, will be sorry to hear that she is at present a patient at the Calgary General Hospital. Friends extend best wishes to her.

Les Marshman of Calgary visited Mrs. Elizabeth Marshman in hospital at the weekend and also was a guest of Mr. and Mrs. Dave Crabb.

Friends of Mrs. Elizabeth Grant will be sorry to learn she is a patient at the local hospital.

Mr. and Mrs. Bob Hill and children of Milo accompanied by Mr. and Mrs. C. Blair of Prince Albert, Sask., were Saturday guests of Mr. and Mrs. W. S. Hill.

Mr. and Mrs. Lloyd Iles and small son of Stettler were visitors over the weekend at the home of the latter's parents, Mr. and Mrs. C. Northcott. On Saturday the Iles motored to Calgary to attend the football game, leaving small Glen with his grandmother.

Mr. and Mrs. Elmer Lebsack were Calgary visitors last week.

Sunday guests at the Lorne Healy home were Mr. and Mrs. Louis Ivers, John Ivers and Susan Heran of Milo and Mr. and Mrs. Loren Healy, Jr., and small daughter.

Mr. and Mrs. John Hunter of Calgary were weekend guests at the home of their son-in-law and daughter, Mr. and Mrs. Harold Schneider and also visited with John's father in hospital here.

Mr. and Mrs. W. E. Peters and Billy and Mrs. Mary Speir of Calgary were Saturday guests of Wm. Peters. While here they were joined by Mrs. A. Wismer in helping Mr. Peters celebrate his 80th birthday. A family dinner was enjoyed at the Vulcan Cafe.

Mr. and Mrs. Andy Nafziger accompanied Mrs. George Corner to Calgary Tuesday from where Mrs. Corner left by plane to spend the winter with relatives in her native Scotland.

L. Birkenes of Calgary spent Sunday with his parents, Mr. and Mrs. Herb Birkenes and on Monday attended funeral rites for the late George Brotherhood at Milo.
